GET READY CALENDAR

Four Councils in Queensland's Central West have partnered to develop a calendar showcasing photos of natural disasters from each region, promoting disaster preparedness that will be distributed free of charge to residents and visitors.

The calendar was developed thanks to support from the Queensland Government's Get Ready Queensland program, a year-round, all-hazards, resilience building initiative to help communities prepare for natural disasters.

Watch for the Warnings.

Australia's Warning System is Changing

Know the signs in an emergency

Yellow means advice.

Orange means Watch & Act.

Red means Emergency Warning.

REGIONAL WORKS

- All concrete works completed to the Scrubby Creek Floodways. Rock protection is in progress.
- 95% of total works to the Tambo Augathella road are complete.
- Roadworks at Petunia Lane and East Walter Street are complete.

Asbestos Awareness Week

Asbestos Awareness Week (20-26 November), is held to increase awareness of the risks of working with asbestos containing materials and the importance of work health and safety measures regarding these materials.

Buildings built or renovated before 1990 are likely to contain asbestos, so always play it safe before doing renovations or clean up.

Want to learn more about living and working safely with asbestos? Check out the resources page at www.asbestos.qld.gov.au
